

September 2016

Status Update for Wyoming MMIS WINGS Project Activities

The Wyoming Department of Health, Division of Healthcare Financing, MMIS Replacement Project Team for the Wyoming Integrated Next Generation System (WINGS) will provide periodic updates for WINGS Project activities.

Below are key focus areas and updated time lines for the September 2016 status update report. The WINGS project has received Federal approval for release of the following RFPs.

1. The Independent Verification and Validation (IV&V) Services Request for Proposal was released 8/31/2016.
2. The System Integrator/Enterprise Service Bus (SI/ESB) Request for Proposal is anticipated to be released in September/October 2016.
3. The Software Testing – Quality Assurance/Quality Control Services Request for Proposal is expected to be released in October 2016.
4. The Data Warehouse with Data Analytics/Business Intelligence Tools (DW-DA/BI Tools) Request for Proposal is anticipated to be released in November 2016.
5. The Fraud, Waste, Abuse Analytics and Case Tracking (FWA) Request for Proposal is anticipated to be released in January 2017.
6. The Third Party Liability Services (TPL) Request for Proposal is anticipated to be released in February 2017.
7. To receive vendor bid notifications when WINGS project RFPs are available, please register with the State of Wyoming, Administration and Information, General Services, Procurement Section using a web based e-Procurement

service - Public Purchase - at the following

link: <https://www.publicpurchase.com/gems/register/vendor/register>

8. If you experience any issues with registering in the Public Purchase On-line Bidding System, please contact the Public Purchase technical support for help and not Wyoming A&I Procurement Division. Thank you.
9. A WDH-Healthcare Financing, WINGS project web page has been created for vendors to check periodically for posted project activity/timeline updates and related WINGS information.
